RE: Kroger Savannah Agreement

I am happy to announce the results from all the voting locations held on June 15, 2017. The ballots were counted and the Kroger Savannah Agreement was ratified by an overwhelming majority. Most wage increases become effective on Sunday June 18. Please review the Memorandum of Agreement (MOA) for details on effective dates, as well as contract language. Please go to ufcw1996.org for a copy of the MOA. We will have contracts in the stores as soon as possible.

Sincerely & Fraternaly,
