Any such employee desiring a leave of absence shall secure written permission from the Employer with a copy to the Union, the length of absence to be agreed upon by the Employer and employee. The length of absence shall be commensurate with the need. The above leave may be extended thirty (30) additional days by mutual agreement between the Union and the Employer.

7.06 Time spent on leave of absence will not be counted as time worked for the purpose of wage computation and will not result in loss of seniority. Failure to report back to work at the end of a leave of absence shall result in the employee being considered a voluntary quit. Any employee accepting employment elsewhere while on leave of absence shall be considered a voluntary quit, except in a case where such employee works for the Union.

7.07 Family and Medical Leave Act: A leave of absence of up to twelve (12) weeks (unpaid) shall be granted to an employee who has had one (1) year of continuous service and who has worked at least 1250 hours in the twelve (12) months prior to the request, pursuant to the basic provisions of the Family and Medical Leave Act. Any such employee desiring a leave of absence may be required to provide advance leave notice and medical certification prior to the leave of absence being granted, subject to the provisions of the Act. The length of the absence shall be commensurate with the need. In regards to FMLA, the Company agrees to the current practice of allowing employees who are eligible for paid vacation to take such vacation unless they choose

ARTICLE 9 OTHER WORK

9.01 Employees shall perform any work which the Manager of the store or District Manager may direct with the understanding that when employees are assigned to a job with a lesser rate, they will be entitled to their regular rate of pay, unless due to a decrease of work, they have regularly been assigned to a lower-rated job and desire to retain such job rather than accept a layoff.

ARTICLE 11 WORKING CONDITIONS

11.01 The hours for each employee shall be scheduled by the Employer. A work schedule shall be posted by noon Friday for the succeeding week. Employees may be added as necessary. The schedule for full-time employees will not be otherwise changed unless such change is necessitated by an emergency such as fire, flood, windstorm, or other acts of nature, but in such cases, full-time employees schedules will not be changed to the extent they do not work the full work schedule of forty (40) hours provided enough hours remain in the workweek. For the purpose of this provision, daily overtime and night premium will be waived to allow the employee to make up lost hours, should they desire to make up lost hours.

The schedule for part-time employees may be changed provided the employee involved is notified of the change not later than the day before such change is to take effect except that such notice will be waived in case of sickness or emergency.

11.02 A full-time employee shall be defined as an employee who works forty (40) hours per week. A part-time employee shall be defined as an employee who works less than forty (40) hours per week.

An employee, who was hired for full-time work and is normally scheduled forty (40) hours per week, shall be considered to be a full-time employee. Any other employee who is normally scheduled forty (40) hours per week for eight (8) consecutive weeks shall also be considered to be a full-time employee.

An employee who is hired for part-time work and is scheduled and works less than forty (40) hours per week, shall be considered to be a part-time employee. Any other employee who is scheduled and works less than forty (40) hours per week for eight (8) consecutive weeks shall also be considered to be a part-time employee.

11.03 The workweek shall consist of not more than forty (40) hours to be worked in five (5) days or less, Sunday through Saturday. Employees will be paid time and one-half (1½) for hours worked over forty (40) in a holiday week.

Part-time employees will be scheduled for a minimum of twelve (12) hours per week Sunday through Saturday.

11.04 The workweek shall consist of not more than forty (40) hours to be worked in five (5) days or less. This does not apply to part-time claiming of available hours. Part-time employees will be called in for additional hours in seniority order.

11.05 All work in excess of nine (9) hours per day shall be paid for at time and one-half (1 ½).

11.06 The Employer may schedule night stockers four (4) ten (10) hour shifts, not necessarily consecutive, without incurring daily overtime, provided it is agreeable with the Union and the majority of the employees involved.

11.07 Time and one-half (1 ½) shall be paid on a weekly basis or daily basis, whichever is greater, but in no case on both.

11.08 There shall be no split shift schedules.

11.09 Full-time employees required to work outside of their schedule shall not be required to take time off from their schedule that week in order to avoid overtime.

11.10 Employees working four (4) hours per day up to seven (7) hours per day shall receive one (1) uninterrupted fifteen (15) minute rest period per day. Employees working seven (7) hours or more per day shall receive two (2) uninterrupted fifteen (15) minute rest periods per day. Rest periods will be scheduled in accordance with the needs of the business but no earlier than one (1) hour after reporting time. Employees who work ten (10) or more hours in a workday shall receive a third uninterrupted fifteen (15) minute rest period.

11.11 Employees shall be allowed one (1) hour without pay for lunch. No employee shall be required to work more than five (5) hours without a lunch period. By mutual agreement between an employee and store Management, a lunch period of thirty (30) minutes duration may be observed. The lunch period will be granted as close to the middle of the shift as possible.

11.12 Any uniforms deemed necessary by the Employer for its employees shall be furnished and laundered by the Employer. However, where Dacron or similar type uniforms are furnished to employees, such uniforms shall be laundered by the employee. The Company agrees to administer the uniform policy in a consistent manner for all associates across all stores and will provide the designated uniforms for the appropriate job classification.

11.13 Any employee who is instructed to report for work shall be guaranteed at least four (4) hours work, except in cases where this would violate Child Labor Laws.

11.14 If an employee is transferred from one store to another, he shall be given twenty-four (24) hours advance notice of such transfer, except in case of emergency.

11.15 In case of a temporary transfer, at the request of the Employer, involving more than ten (10) additional miles of travel per day, the employee will be reimbursed for the additional miles traveled at the applicable Division cents per mile.

11.18 All work and services connected with or incidental to the handling or selling of merchandise (except potato chips, beverages, cookies, bakery products and rack jobbers) offered for sale to the public in the Employer's retail establishments covered by this Agreement shall be performed only by employees of the bargaining unit. This Agreement shall not be construed as restricting sales representatives from inspecting any and all merchandise of their respective company for spoilage or replacement, nor shall it apply to new or remodeled stores or to initial special displays unless such special displays have a tendency to become too constant or too often. There shall be no expansion of the present practice which might tend to erode bargaining unit employment during the life of this Agreement. The Employer may utilize any DSD (direct store delivery) vendor store assistance on Drug/GM products which are available to the trade without additional cost.

If the Employer violates this section using non-bargaining unit people, the most senior part-time clerk shall be paid the full-time top clerk rate for time spent by the non-bargaining unit person performing bargaining unit work.

Courtesy Clerks service shall be considered in determining their rate of pay upon promotion to a part-time or full-time clerk. Time spent as a Courtesy Clerk will count toward attaining eligibility for health care in the event of a promotion to a clerk.

The Employer agrees that the expansion of courtesy clerk duties shall not cause any employee hired prior to February 21, 2010 to experience a reduction of hours solely as a result of the implementation of this language.

The Union Representative will inform the Store Manager and Human Resources in writing of any violations of this section pertaining to Courtesy Clerks and shall result in the following remedy in the particular store where the violation occurs:

First Violation

The Union shall inform the Store Manager and Human Resources in writing.

Fourth Violation

The Union shall inform the Store Manager and Human Resources in writing upon the fourth violation and the two (2) most senior courtesy clerks shall be reclassified to part-time. Recognition of their Courtesy Clerk service will be used to determine the rate of pay and to determine eligibility for Health and Welfare as outlined in Article 19, Health and Welfare.

It is understood that for purposes of this Article 11.19, each store shall be considered separately and that no violation shall be active after 9 months have passed without a recurrence of a violation.

11.20 Full-time schedules (other than night stock employees) with hours after 6:30 p.m. will be rotated among available employees as far as it is practical to do so.

11.22 There shall be a break of ten (10) hours between shifts, unless mutually agreed upon between the employee and the Employer. The Union and the Employer will meet to resolve any issues related to this matter.

ARTICLE 12 SENIORITY

12.01 In layoffs, recalls, or permanent reduction of hours, seniority shall apply. There shall be one seniority list for full-time employees and a separate seniority list for part-time employees and a separate seniority list for courtesy clerks. Full-time seniority shall be defined as the date the employee was last classified full-time. Part-time seniority shall be defined as the length of last continuous employment. (Excluding time spent as courtesy clerk). Full-time employees shall have seniority over all part-time employees. Seniority for layoffs for Full-time and Part-time employees shall be administered in accordance with the provisions of Appendix "A" attached.

12.02 In the matter of permanent transfers, ability and seniority shall be the controlling factor.

12.03 In the matter of promotions within the bargaining unit, seniority will be the controlling factor as long as the employee has the ability to perform the work. A full-time employee who desires consideration for a department head, assistant, or lead position shall notify Human Resources, their Store Manager, District Manager and the Union in writing. When a vacancy occurs, the Employer will review any requests on file, along with any other candidates, and a decision will be made based upon ability, seniority. Requests will be valid for six (6) months from date received by the above referenced individuals.

For any Department Manager that steps down or is removed for performance reasons only, the associate must wait a minimum of one (1) year before applying for another Department Manager position. The time frame can be shortened if there is mutual agreement between the Company and the Union.

12.04 Permanent vacancies for the positions of Department Manager: Front-End, Grocery, Produce, Deli, Meat and Drug/GM will be posted in each store in the areas covered by the bargaining agreement for a minimum of seven (7) days prior to the appointment, subject to the provisions of the above paragraph. Such notice shall be of a uniform size and shall be posted in a prominent location to be seen by all employees. The Company agrees to include the store wage level information on the job posting.

The Employer has the right to transfer a Department Manager to another store location, if he/she agrees to the transfer and the reciprocating store Department Manager also agrees to the transfer to the other location and it is documented in writing.

12.05 In the event employees engage in an authorized work stoppage, employees will be called back by seniority within their classification as needed in their store on termination of the authorized work stoppage.

12.06 Seniority shall be considered broken if an employee is justly discharged by the Employer, if the employee is promoted to a position outside the bargaining unit, if the employee voluntarily quits, if the employee has been laid off continuously for a period of more than six (6) months, or if the employee is called back to work after a lay-off and does not report for work within one (1) week. This should not apply to employees who are temporarily assigned to relieve employees outside the bargaining unit for vacation purposes or emergencies not to exceed five (5) weeks at any one time.

12.07 During the first sixty (60) days all employees shall be on a trial basis. The Employer may discharge any new employee during said trial period for any reason whatsoever and there shall be no right of appeal to the grievance and arbitration

procedure by either the employee or the Union. However, after sixty (60) days of employment the employee's seniority date shall revert back to the employee's date of hire.

12.08 Part-time employees will be given preference for full-time jobs if qualified. Employees interested in such full-time jobs will notify Human Resources, the Store Manager, and Union in writing. Part-time employees will be given first consideration for promotion to full-time when a vacancy exists; however, this shall not preclude an employee in another department from requesting a transfer for such vacancy or a vacancy that might become available. Store Clerks, Fuel Center and Starbucks clerks interested in transferring into or out of the Fuel Center or Starbucks, shall notify Human Resources, the Store Manager and the Union in writing.

12.09 Each week the Employer will give the Union a listing of newly hired and active employees. This listing shall include names, social security numbers, home addresses, store numbers and seniority dates and shall be given to the Union in the form of a computerized tape or disk in the format that matches the Union's computer.

12.10 The Union Shop Stewards (excluding the alternate Shop Stewards), not to exceed three (3), shall be the last employees in their classification in the store to be transferred or laid off. The Employer must receive written notification of the Steward's appointment prior to granting above.

12.11 Part-time employees will be allowed to claim daily schedules Sunday through Saturday within the store in the employee's classification based on seniority in order to provide up to forty (40) straight-time hours per week, excluding overtime hours.

The senior part-time employee will be assigned the schedule with the most straight-time hours for their respective department, provided the employee has the ability and is available to do the work. All other part-time schedules in their respective department will be assigned based on seniority, availability, and ability to perform the work.

One or more senior part-time employees may claim hours from a junior employee so as to eliminate that junior employee from the schedule entirely. However, schedules may not be claimed from a part-time employee so as to leave the employee with less than the twelve (12) hour guarantee, unless that employee is totally removed from the schedule.

Part-time employees must claim hours within the area of their job assignment, and must be available and able to perform the work. Night premium hours shall not be excluded for the purpose of claiming hours. Hours in newly remodeled stores and new stores will not be available for claiming until the store is classified. Job assignments where possible and where the employee is available to perform the work, may be combined on a given day. The Employer will not hire employees for twelve (12) hour schedules for the purpose of circumventing the available hour clause.

Employees claiming available hours must do so by noon Saturday following the posting of the work schedule.

12.12 The Union Representative will inform the Store Manager and Human Resources of any violations pertaining to scheduling of hours on a seniority basis, and a decision will be rendered within one week.

First Violation

The Store Manager will correct such violation in the following manner:

Assign the hours to the most senior part-time employee who is available and qualified to perform the work. Should the hours have already been worked by a less senior employee, the most senior employee who is available and qualified shall be paid for said hours that the junior employee worked that the senior employee could have worked.

Second Violation

Should hours be assigned to a less senior employee, the more senior employee who is available and qualified to perform the work shall be paid at two (2) times their regular rate of pay for all hours the junior employee worked that the senior employee could have worked.

Third Violation

Should hours be assigned to a less senior employee, the most senior employee who is available and qualified to perform the work shall be paid at three (3) times their regular rate of pay for all hours assigned to the less senior employee that the senior employee could have worked.

Senior employees or the Union Representative shall be able to claim all or portion of less senior employee's schedules on a daily basis up to and including forty (40) hours.

Claims for payment as outlined above shall not be valid after thirty (30) days.

If after the third (3rd) violation, it is determined that the schedule is being deliberately manipulated to prevent senior part-time employees from claiming hours, the two (2) most senior part-time employees in the store shall be reclassified to full-time.

12.13 When employees object to night stock work, the night stock work shall be assigned by seniority within their store beginning with the least senior full-time stock clerk.

12.14 An employee who desires a transfer to another location may request such a transfer in writing to Human Resources with a copy to Store Management and the Local Union. When a vacancy occurs, the Employer will review any request on file for that location by seniority, and a decision will be made based on the employee's seniority, ability, and consistent with the needs of the business. Requests for transfer shall be valid for a period of six (6) months from the date received in Human Resources. Front-End, Grocery, Produce, Deli, Meat, and Drug/GM Managers may request a transfer as provided above. However, in the case of such request, a decision will be made based upon the experience and ability to perform the work as determined by the Employer.

12.15 If an employee transfers from one bargaining agreement to another, the employee will be covered under the terms and conditions of the bargaining agreement for the area they transferred into.

13.02 A part-time employee shall be granted a part-time vacation under the same general provisions as provided above for full-time employees, except the part-time vacation will be figured on the number of hours in the vacation qualifying year divided by fifty-two (52).

The qualifying date for all vacation purposes of any part-time employee who subsequently, and without a break in employment, qualifies as a full-time employee (by Employer definition) shall be the date from which the employee's service has been counted for part-time vacation purposes, rather than the date qualified as a full-time employee.

13.03 In case a granted holiday falls during a vacation, the employee shall be given an additional day or pay in lieu thereof.

13.04 Employees will be paid their straight-time earnings for their basic workweek.

13.07 ELIGIBILITY

1. An employee will become eligible for vacation upon the first anniversary of employment, provided the employee has completed one (1) year of continuous service as of that date.
2. Additional weeks shall be earned on the anniversary date based upon years of service.

3. Upon completion of the service requirements, vacation will be credited January 1st of each year.
4. Employees who qualify for one (1) week of vacation as of January 1st and are due to complete the service necessary for an additional week or weeks of vacation later in the year, may take the first week early or wait and take it all together.
5. Vacations must be scheduled in the calendar year except that where necessary, vacations that fall due in November or December may be carried over to January of the next year. No employee shall be given pay in lieu of vacation.
6. Vacations shall be permitted 52 weeks of the year. Choice of vacation dates will be granted on the basis of seniority, except the Employer reserves the right to grant vacations to employees when their absences will least affect the operation. Vacation schedule for employees shall be posted in each store not later than March 15th of each year. Once an employee's vacation has been scheduled, it will not be changed except by mutual agreement. A copy of the vacation schedule will be posted in the department in ink.
7. Employees who have not taken vacation which they have earned by reason of their service leaves (regardless of whether they give notice), go into military service or are separated for any reason other than confessed or proven dishonesty, shall receive vacation pay at the time of leaving.
8. Leaves totaling 90 days or less in any calendar year shall not affect vacation earned in that year; leaves totaling more than 90 days but not over 180 days shall reduce vacation and vacation pay by one-fourth (1/4); leaves totaling more than 180 days but not over 270 days shall reduce vacation and vacation pay by one-half (1/2); leaves totaling more than 270 days shall disqualify for vacation. This shall not apply in case of compensable (on the job) injury.

Employees who are absent on their scheduled day immediately preceding a holiday or a scheduled day immediately following a holiday shall not be paid holiday pay unless absence is due to proven illness or the absence is excused by the Employer, in which case the employee shall receive holiday pay provided he worked any part of the holiday week.

14.02 Employees hired on or before April 11, 1989 will be eligible for three (3) personal holidays to be taken as days off in addition to the five (5) national holidays named in paragraph 1.

Holiday pay for part-time employees shall be figured on the average hours paid for the four (4) consecutive weeks immediately preceding the holiday week on the following basis:

AVERAGE HOURS PAID	HOLIDAY PAY
Less than 32 hours	4 hours
32 hours and over	8 hours

The personal holidays shall be celebrated on days that are mutually agreeable between the employee and the Store Manager. However, a personal holiday shall be granted no later than thirty (30) days after the employee's request.

14.03 Employees hired after April 11, 1989 will become eligible for the five (5) basic holidays named in paragraph 14.01 of this Article as of their first anniversary date. These employees will not be eligible for any other holidays listed in the Agreement, except as noted in paragraph 14.05.

AVERAGE HOURS PAID	HOLIDAY PAY
Less than 32 hours	4 hours
32 hours and over	8 hours

The personal holidays shall be celebrated on days that are mutually agreeable between the employee and the Store Manager. However, a personal holiday shall be granted no later than thirty (30) days after the employee's request.

14.06 Employees hired prior to July 14, 1985 shall be paid at time and one-half (1 ½) for time worked on Sunday and holidays.

14.07 Employees hired on or after July 14, 1985 and on or before April 11, 1989 will receive Sunday and holiday pay as follows:

1. Part-time employees will receive fifty cents (\$.50) an hour in addition to their regular straight-time rate of pay.

14.09 Work performed after 7:00 p.m. on Christmas Eve will be paid for at double (2x) the employee's straight-time hourly rate.

14.10 There shall be no work performed on Christmas Day. Scheduled work to be performed on Thanksgiving or Easter Sunday will be offered to senior employees by classification. In the event there are not enough volunteers, employees will be required to work in inverse seniority order. An employee shall not be required to work prior to 6:00 a.m. the day following Christmas Day. Any employee who works prior to 6:00 a.m. the day following Christmas Day will be paid for at time and one-half (1 ½) the employee's straight time hourly rate.

In the event of a change in the hours of a major competitor or a new competitor opens in the market, the Union and the Employer will meet and discuss the Christmas Eve closing time. Any change in the current practice will be mutually agreed upon.

14.11 The Atlanta Division recognizes that associates may wish to exercise their own personal choice to celebrate the legacy of Dr. Martin Luther King, Jr. by taking that day off. Associates may take a personal holiday or flex vacation day, if applicable. Requests off will be permitted as long as multiple requests off by associates at the same store location do not create a hardship on the business and providing such requests are submitted at least thirty (30) days prior to the holiday.

ARTICLE 15 SEPARATION PAY

15.01 Full-time employees with more than six (6) months full-time service who are discharged for incompetence or are permanently separated due to discontinuance of the job, store closing, or reduction in force shall be given one (1) weeks notice or one (1) week's pay in lieu of notice. Employees separated during the week for any of these reasons are entitled to pay through the day they were told of their dismissal, plus pay for one (1) additional week which, at the option of the Employer, may either be worked out or paid in lieu of notice.

15.02 In the event the Employer closes or sells a store and employees are terminated as a result thereof, full-time employees who have completed two (2) years service shall receive severance pay equal to one (1) week's pay for each year of continuous full-time service, commencing with a third year, but not to exceed four (4) weeks pay at their regular rate. No benefits shall accrue under the terms of this Article if the employee refuses a transfer within a twenty-five (25) mile radius.

15.03 Employees who are terminated and who are eligible for and accept severance pay, forfeit all seniority and recall rights. Employees who do not accept severance pay shall retain their recall rights for a period of six (6) months, and if still not recalled by the Employer, shall then receive their severance pay and have no further recall rights.

15.04 In the event Savannah stores are sold or permanently closed, the Union and the Company will meet to establish guidelines for possible transfers to other locations in the Atlanta Marketing Area if there are any such positions available.

ARTICLE 16 NON-DISCRIMINATION

16.01 The Employer and the Union agree that there shall be no discrimination against any employee due to Union activities, including being a Shop Steward, or affiliation or because of race, religion, color, creed, national origin, sex, sexual orientation, age, disability, or veteran's status in accordance with existing law. Where the word "he" appears in this Agreement, the parties agree that it applies to both "male and female" employees.

ARTICLE 17 UNION COOPERATION

17.01 The Union agrees to uphold the rules and regulations of the Employer in regard to punctual and steady attendance, proper and sufficient notification in case of necessary absence, conduct on the job, and all other reasonable rules and regulations established by the Employer. Any new rules and regulations or methods shall be discussed with the Union before installation.

17.02 The Union, while not responsible, agrees to cooperate with the Employer in its responsibility in maintaining and improving safe working conditions and practices, in improving the cleanliness and good housekeeping of the stores, and in caring for equipment and machinery.

17.03 The Union recognizes the need for improved methods and output in the interest of the employees and the business and agrees to cooperate with the Employer in the installation of such methods, in suggesting improved methods, and in the education of its members in the necessity for such changes and improvements.

17.04 The Union recognizes the need for conservation and the elimination of waste and agrees to cooperate with the Employer in suggesting and practicing methods in the interest of conservation and waste elimination.

17.05 The Union agrees to cooperate in correcting inefficiencies of members which might otherwise necessitate discharge.

ARTICLE 18 INJURY ON THE JOB

18.01 When an employee is injured on the job, there shall be no deduction from the employee's pay for hours scheduled for the day on which the injury occurred and reported for medical care. When such employees return to work following an injury, and are certified as ready and able to perform all regular duties, but require medical treatment as a result of the same injury, the Employer shall adjust their work schedules without penalty to the employees, to provide both the time for medical care and the number of hours for which such employees are regularly scheduled.

18.02 An employee who is injured on the job may be granted additional ninety (90) day extensions not to exceed three (3) years.

18.03 The Employer will maintain a vigorous safety culture at each location, and will allocate the resources necessary to assure a safe work environment. In keeping with this commitment, the Employer agrees to comply with all Federal, State, and Local laws and regulations regarding a safe working environment. The Employer agrees to promptly investigate all hazards, unsafe conditions, and accidents brought to its attention and to promptly remedy all hazards and unsafe conditions its investigation reveals.

18.04 The Employer will provide employees training to perform their jobs safely. The Employer will not ask or allow any employee to work or operate any equipment until the employee has received all relevant training. The Employer will provide stores with the appropriate supplies and equipment needed for employees to perform their jobs safely.

18.05 Only employees authorized and trained by Management are allowed to stop a shoplifter. Non-authorized employees who suspect someone of shoplifting are to notify a member of Management. No employee may pursue a fleeing suspect.

19.07 Measurement and Stability Periods, and Maximum 90 Day Waiting Periods:

Effective January 1, 2015, in determining whether an employee has averaged the requisite number of hours described in Sections 19.01 through 19.05, average hours shall be determined over six (6) month measurement periods (calculated over twenty six (26) weekly payroll periods) that will result in six (6) month stability periods during which time the employee shall be considered an “eligible employee”. A six (6) month standard stability period during which an employee shall be considered an “eligible employee” shall be the six (6)-month period of January 1 through June 30 and the six (6) month period July 1 through December 31 of each calendar year. The Board of Trustees of the Fund, at their sole discretion, may apply an administrative period between the end of a measurement period and the start of a stability period as long as the administrative period does not exceed ninety (90) days. An initial stability period shall be established which shall be a six (6) month period following the initial measurement period of the first full twenty-six (26) weekly payroll periods of employment. For those employees qualifying as eligible employees, such initial stability period shall begin no later than the first day of the eighth (8th) full calendar month of employment and the first day of such initial stability period shall hereinafter be referred to as the eligible employee’s “eligibility date.”

For employees hired on or after April 3, 2017, and when measuring for coverage periods beginning on or after January 1, 2018 for all employees, average hours for eligibility for Plans 1, 2 or 3 shall be determined over twelve (12) month measurement periods (measured over 52 or 53 weekly payroll periods, as necessary for compliance with health care law) that will result in twelve (12) month stability periods during which time the employee shall be considered an “eligible employee.” A twelve (12) month standard stability period during which an employee shall be considered an “eligible employee” shall be a calendar year. The Board of Trustees of the Fund, at their sole discretion, may apply an administrative period between the end of a measurement period and the start of the standard stability period as long as the administrative period is in compliance with health care law. An initial stability period shall be established which shall be a twelve (12) month period following the initial measurement period of the first full fifty-two (52) weekly payroll periods of employment. For those employees qualifying as eligible employees, such initial stability period shall begin no later than the first day of the fourteenth (14th) full month of employment and the first day of such initial stability period shall hereinafter be referred to as the eligible employee’s “eligibility date.”

For purposes of measuring for initial eligibility for the Ancillary Plan as set forth in Section 19.06, employees will be measured over their first full twenty-six (26) payroll periods of employment. An employee who qualifies as an “eligible employee” under this initial measurement for the Ancillary Plan shall have coverage become effective no later than the first day of the eighth (8th) full month of employment, hereinafter referred to as the eligible employee’s “eligibility date.” Thereafter, eligibility for the Ancillary Plan will be determined based on the results of the initial and standard twelve (12) month measurement periods described above.

If the Employer hires an employee that the Employer reasonably anticipates will work on average at least thirty (30) hours per week such employee shall be considered a known full-time employee for purposes of health care and shall become eligible for Plan 2 coverage on the first day of the month following sixty (60) days of employment and such date shall hereinafter be referred to as the employee’s eligibility date. Subject to the requirements of Section 19.02 and/or Section 19.04 above, such coverage will remain in effect until such employee reaches the first standard stability period, at which time coverage will be determined in accordance with the average hours requirements calculated over the standard measurement periods. If the Employer promotes an employee to a known full-time position for purposes of health care prior to the end of the initial measurement period, such employee shall become eligible for Plan 2 coverage no later than the earlier of the (1) the 1st day of the month following sixty (60) days from the date of promotion or (2) the first day of the initial stability period and such date shall hereinafter be referred to as the employee’s eligibility date. Such coverage shall remain in effect until such employee reaches the first standard stability period, at which time coverage will be determined in accordance with the average hours requirements calculated over the standard measurement periods. Notwithstanding anything to the contrary herein, the

Employer will pay a Plan 2 contribution to the Fund on behalf of such employees no later than the month following thirty (30) days of full-time employment.

In applying the eligibility rules of this provision, if there is a gap between the end of the initial stability period and the start of the standard stability period established by the Board of Trustees, the employee shall continue to be eligible for coverage during the gap period based on the employee's eligibility during the initial stability period. In the case of an overlap of the initial stability period and the first standard stability period the employee shall be eligible for the highest level of coverage the employee would qualify for during the overlap period.

References to "full-time" in this Section 19.07 relate to the Employer Shared Responsibility provisions under the ACA to offer health care to employees who average thirty (30) or more hours. Employees who average thirty (30) or more hours per week over a measurement period will be eligible to enroll their dependent children, subject to the enrollment procedures established by the Board of Trustees.

19.08 General Eligibility:

Courtesy Clerks, part-time Fuel Clerks (except Leads and Full-time clerks) and Starbucks Clerks (except Leads) will be excluded from coverage unless reaching certain minimum hours thresholds outlined above; however, upon promotion, recognition of time served will be used to determine eligibility for Health and Welfare as outlined above.

19.09 Contributions to the Trust Fund shall be discontinued as of the first of the month immediately following:

1. A layoff or leave of absence of ninety (90) calendar days or more, other than Family and Medical Leave, except as otherwise provided below.

For the purpose of this section an eligible employee who is on an approved personal leave of absence of two (2) weeks or less or on military leave of absence of two (2) weeks or less shall be credited with the hours he would normally have worked in such week or weeks. Effective January 1, 2015, contributions will not be discontinued in the case of a leave of absence for those months that employee remains in a stability period.

2. The employee's ceasing to be an eligible employee due to failure to work the average numbers of hours as designated in paragraphs 19.01 through 19.07

19.10 Contributions to the Trust Fund shall be continued under the following conditions:

15. Marketplace Stores

It is understood and agreed by the parties that whenever the Employer opens and operates what will be known as an "Marketplace" store, such store shall be covered by the Savannah Collective Bargaining Agreement, with the following exceptions:

Where the Employer deems it necessary, each of the sub-departments (expanded kitchen, home décor/ furniture, soft goods/clothing and expanded toys/baby world) may have one or more lead positions at the lead clerk premium.

In addition to the sub departments leads, where the Employer deems it necessary, a Marketplace store will appoint an additional "Scan Coordinator".

When the Employer deems it necessary, it will appoint more than one Assistant Department Manager in the other departments in the store based upon the needs of the store.

When multiple Assistant Department Managers are appointed, relief pay in accordance with Article 9.02, will be rotated based upon ability.

The Employer may utilize an outside service for the delivery of Drug/GM and Home Department merchandise.

In Marketplace stores, store management has the ability to construct two (2) displays per week in the General Merchandise Home Department (expanded kitchen, home décor/furniture, soft goods/clothing and expanded toys/baby world).

It is understood that in the event of a Marketplace Store closing that the Company and the Union will meet and discuss.

LETTER OF UNDERSTANDING

March 19, 2017

Mr. Steve Lomax
President
UFCW Local 1996
3302 McGinnis Ferry Rd.
Suwanee, GA 30024

Dear Mr. Lomax

This letter contains agreements from previous Letters of Understanding that have been agreed upon by both the Company and the Union. The parties agreed the following would be covered by letter of understanding:

1. The employees listed below would be converted from an annual salary to an hourly rate. We also agree that these employees would be allowed to work up to 45 hours per week and that time worked on Sundays and holidays would be paid at straight time.

These employees rates were calculated in prior negotiations and they will either remain on their personal rate with the appropriate F.T. Clerk increases or be put on the appropriate contract rate, whichever is greater.

Employee list:

Susan Graves, and Jay Parkman or any other employee not known to us at this time.

2. **Grandfathered Positions:**

The following positions are considered to be grandfathered positions and all references have been removed from the bargaining agreement. Employees in this grandfathered position will continue to receive the rates of pay outlined in the bargaining agreement and/or premiums as long as the employee remains in the position:

Receiving Clerks

Journeyman Meat Cutters

Journeyman Meat Cutters will be Grandfathered and their rate of pay "red circled". In the event a Meat Manager steps down or is demoted from their position, they will be placed in the classification from which they came prior to being assigned as Meat Manager. In the event of a layoff, reduction of hours, and store closing, seniority will apply. (For these purposes, seniority will be defined to provide Grandfathered Journeyman and Meat Clerks to be in the same classification.) If a Journeyman Meat Cutter is laid off and recalled at a later date, he will be returned to the rate of pay he was at prior to being laid off.

3. Front-End Manager, Produce Manager, and Grocery Manager will either remain on their personal rate with the appropriate F.T. clerk increases or be put on the appropriate contract rate, whichever is greater.
4. In any new store where a majority of the workforce has transferred from the bargaining unit covered by this Agreement, Kroger will recognize Local 1996 and the appropriate Agreement will apply to the new store's workforce.
5. In any other store where some of the work force, but less than a majority, has transferred and/or been assigned from the bargaining unit covered by this Agreement, Local 1996 shall have "access" to the new store. "Access" means that Local 1996 Representatives may enter the store and meet with employees about membership in the Union, but employees are not to be solicited in such ways as to interfere with their work. Local 1996 Representatives may also meet with non-working employees in non-sales floor areas. Upon presentation to Kroger of proof that Local 1996 represents an uncoerced majority of the employees in the new store, Kroger will recognize Local 1996 as the bargaining Representative and the appropriate agreement will apply to the new store's workforce.
6. The Atlanta Division has no current plans to open new stores within the jurisdiction of Local 1996 without transferring and/or assigning some employees from existing Kroger stores. In the event Kroger were to do so during the term of the Savannah Agreement, Kroger agrees to notify Local 1996 in advance of such opening and, should Local 1996 request, Representatives of the Atlanta Division and Local 1996 will discuss "access" terms for any such stores. If the parties are unable to reach an agreement regarding access, or if the Atlanta Division declines to provide access, Local

1996 may file a grievance and seek the ruling of an expedited arbitration pursuant to Article 5 of this Agreement. Upon presentation to Kroger of proof that Local 1996 represent an uncoerced majority of the employees in the new store, Kroger will recognize Local 1996 as the bargaining Representative and the appropriate agreement will apply to the new store's workforce.

7. Both parties further agree that Article 6, No Strike-No Lockout or Articles containing No Strike-No Lockout in other Collective Bargaining Agreements between Local 1996 and the Atlanta Marketing Area will not prohibit the members from exercising their right to strike the employer over applicable articles dealing with Health & Welfare, should no agreement be reached.
8. The Company agrees to meet with the Union twice a year to discuss any current outstanding labor issues and update each party about current trends. The number of meetings per year may be increased or decreased by mutual agreement. This meeting will include Union Officials, including Union members and Company Officials including District Managers and District Operations Coordinators. These meetings are in addition to the current Labor/Management meetings. The Company agrees to pay the expenses associated with these meetings.
9. Savannah Reclass: Effective April 20, 2014, New Schedule "B" is in effect for all stores covered under this agreement. Beginning January 30, 2015 and each fiscal year thereafter through the life of this contract: Front-End, Grocery, Produce, Deli, Meat, and Drug/GM Managers, Assistant Grocery Managers in the Savannah Contract as well as Lead File Maintenance, Bakery Managers, and Grandfathered Seafood Managers in the Savannah Contract, will be classified based on average sales minus fuel sales for the prior full thirteen (13) Kroger periods. A new list of Front-End, Grocery, Produce, Deli, Meat and Drug/GM Managers, Assistant Grocery Managers, as well as Lead File Maintenance, Bakery Managers, and Grandfathered Seafood Managers rates will be established based on the reclassification if changes are involved.

Employees in these positions with job dates in the above classifications on or after April 20, 2014 will be reclassified annually using the store volume New Schedule "B" to determine their rate of pay.

Employees in these positions with job dates in the above classifications prior to April 20, 2014 will be reclassified on both schedules "A" and "B" to determine their rate of pay. Schedule "A" rates of pay will be used only if New Schedule "B" rates of pay would otherwise cause a reduction of pay.

Effective April 20, 2014 New Schedule "B" is in effect for all stores covered under this agreement. On new store or stores which may be remodeled, Front-End, Grocery, Produce, Deli, Meat and Drug/GM Managers as well as Lead File Maintenance, Bakery Managers, Assistant Grocery Managers and Grandfathered Seafood Managers shall be paid their previous rate for fourteen (14) weeks. At the end of fourteen (14) weeks, the store will be reclassified based on the average weekly sales minus fuel sales on Schedule B for the twelve (12) weeks immediately following the first two (2) weeks after opening or remodeling. Employees in these positions with job dates prior in the above classifications to April 20, 2014 will be reclassified on both schedules "A" and "B" to determine their rate of pay. Schedule "A" rates of pay will be used only if New Schedule "B" rates of pay would otherwise cause a reduction of pay. The raises will be applied to these positions during the prior contract and the existing contract and will added to the rates of pay beginning with the archived prior levels below when determining the rate of pay.

Rates for employees in these positions will then be adjusted to the new classification with retroactive adjustment to the re-grand opening of the store.

Employees in these positions who voluntarily transfer stores or positions on or after Sunday following ratification will be placed on the appropriate rate of pay in accordance with New Schedule "B".

It is understood that in the event of a store closing and in any other situation that could impact employees whose job dates are prior to April 20, 2014 that the Company and the Union will meet to discuss the application of wages with the understanding that it is the intent of the bargaining parties to avoid a reduction of pay that occurs solely as a result of the implementation of New Schedule "B".
