

HAVE YOU HAD YOUR BIOMETRIC SCREENING?

If you are eligible for and will enroll in medical coverage through the Health and Welfare Fund for 2022, you are required to have a Biometric Screening by November 30th or you will pay a wellness program surcharge of \$15 per week for your coverage in 2022.

If you will be eligible for the Ancillary Plan only or if you will enroll in Ancillary Only coverage in 2022, and you decide not to complete a Biometric Screening, you will not be charged an additional \$15.00 per week in 2022.
